

# Fresh Food Options in the Newport Area

Last Updated: 4/14/23

The Oregon Coast is a great place to “green up” your food shopping experience! In addition to the eco-friendly options that can be found in our local grocery stores, the [HMSC Green Team](#) has compiled a list of seasonal fresh food options that we know are available to consumers in the Newport area. Shop for local, organic, low waste, foods, and many offer pickup, delivery, outdoor market, or other low-contact options.

## LINCOLN COUNTY LOCAL OPTIONS

*Eating local is a great way to lower your carbon footprint and support local businesses.*

**Lincoln County Local Food Guide** – from OSU Extension

<https://extension.oregonstate.edu/lincoln/lincoln-county-local-food>

This guide aims to provide all of the resources you need to find farm fresh foods from **Lincoln County** growers, ranchers, and fishermen. Some of these vendors also participate in coastal farmer’s markets and/or provide home delivery services.

**Eat Oregon Seafood Guide** - from Oregon Sea Grant

<https://seagrant.oregonstate.edu/tourism/eat-oregon-seafood>

This website lists local seafood vendors, pick-up and delivery options, and information about how to buy fresh seafood from fishing boats.
